

# **WEST SPRINGFIELD GARDEN CLUB**

*MISSION: To beautify West Springfield*

## **BARREL OF FLOWERS PROGRAM**

*Please help us to beautify our town with a Barrel of Flowers in memory of a loved one, to advertise your company, highlight your group, or as an individual who loves flowers in our community.*

*Barrels of blue and white (our town colors) Supertunias will brighten our downtown areas and our traffic islands, delighting our citizens and welcoming our neighbors. The more sponsors we have the more flowers we can add to our town.*

*Your \$120 or \$100 sponsorship per barrel\* will provide bright blooms in our town from June 10 to September 15. The fee covers the cost of planting, watering, fertilizing, pruning, and collecting the barrels. Sponsorship will be recognized with a barrel plaque and mentioned in the West Springfield Record in June and in September.*

\_\_\_\_\_ *Number of barrels*    *My sponsorship should read:*

---

Name \_\_\_\_\_ Company \_\_\_\_\_

Address \_\_\_\_\_

Phone \_\_\_\_\_ Email \_\_\_\_\_

\*\$100 if you sponsored a barrel last year. (We have your plaque.)

\$120 if this is your first time sponsoring. (We will have your plaque made.)

If multiple barrels are being sponsored, please provide the necessary information for the additional plaques on the back of this form.

I understand that I do not own the barrel, cannot alter the plantings in the barrel nor add additional signage.

**Checks should be made out to WS Garden Club.**
